June 19, 2009

To whom it may concern,

Since we started up Central Display & Tents in July of 2000, we have depended on Ideal Canopy Tent & Structure to assist us in our entire inventory and have used their expertise as to our inventory control for Northern BC. This has helped us here at Central Display and Tents to grow in this industry. We find their product to be very high quality and their service to be 1st Class.

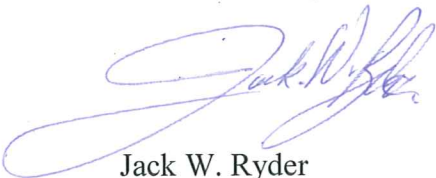

Their friendly and courteous ways make it easy to deal with this exquisite company.

We wish them the best in any endeavors they pursue in the future.

Central Display and Tents would like to Thank Ideal Canopy & Tents for all their professional help that they have been giving us in all the past years. We look forward to doing much more business in the Future.

Once again, Thank you.

Yours Sincerely,

Jack W. Ryder
